**BOOTH DESIGN CRITERIA:**

As a design fair, it is expected that attention be given to the booth design and presentation of product. Items to consider (but not limited to): overall design aesthetic, merchandising, wall treatment, flooring and lighting. Priority and preference will be given to exhibitors who design new booth spaces and who use professional interior designers/architects for the design of their exhibit space. The name of the firm should be included with the proposed design. **You must submit your booth design before your space can be confirmed. Main aisle locations will only be provided to new booth designs.** All inline, corner and peninsula booths must have 10 foot hard walls. No pop up displays or retractable banners permitted. No overhead trade banners are permitted. Suspended installations and lighting are welcome, please send to management for approval.
